

**Do you want to be a presenter at the 2008 MAESP Spring Conference?
“Leading Missouri Schools from Good to Great!”**

The 2008 MAESP Spring Conference will be March 8-11 at Tan-Tar-A. Breakout sessions will be on Monday, March 10. If you have an idea you would like to share, please fill out the form below.

Preference will be given to program proposals of individuals who register for the conference or purchase an exhibit booth. One-day registrations are not available. All related travel and hotel expenses are the responsibility of the presenters. Spring Conference registration forms will be in the December *Elementary Principal* magazine and mailed to all principals in January.

Audio-visual equipment is available for rent from Tan-Tar-A. Power strips and/or extension cords cost \$5 per day; patch into sound system costs \$25; service from Tan-Tar-A audio-visual technician costs \$25 per hour. MAESP will provide screens and carts with electricity in each room. Presenters must provide data projectors and laptops.

I would like to present a session. I would be willing to offer this presentation twice.
