

School Finance Workshops

Sponsored by

Missouri Association of School Administrators & Missouri Association of School Business Officials

A series of workshops has been planned to provide school finance training for school administrators and others responsible for district finances. The workshops are designed primarily for individuals who are newly employed in their roles, however, veterans may also find the review and information valuable as the new school foundation formula is phased-in. All workshops will be held at the Missouri Council of School Administrators Education Center in Jefferson City. Each workshop will begin at 11:30 am and will conclude by 3:00 pm. The registration fee is \$40/person for each session or all three sessions for \$110. The registration fee includes lunch and all workshop handouts. These workshops will be available live on the internet and are free for all of those subscribed to the MCSA Online Video Library. For more information on any of these workshops, please contact:
